3 A SUGGESTED 4-H CLUB CREED

AS A 4-H MEMBER IT SHALL BE MY PURPOSE

TO LEARN skills that will help me to be self-reliant in spirit and useful in daily contacts; for self-reliance is the badge of courage, and usefulness a resource to share.

TO SEE the beauty of the good Earth that sustains life, the glory of the heavens that sustains faith; for to enjoy, use and share these gifts of nature is communing with the Creator.

TO BELIEVE in the country home where work, joys, and sorrows are shared; for the home is the maker of life patterns, the center of affections that will keep America great.

TO KEEP an open mind and a humble spirit; for this is the key to friendships, the doorway to growth, the pathway of love as a vital force.

TO KNOW that as a member of an organization I owe it my loyalty, and through it can share in making farm life abundant, community life attractive, home a place of peace, honor, and beauty; and help this spirit to radiate throughout our land and the world.

Wakelin McNeel
